- What is meant by Intellectual Property Rights (IPR)?.
- Copyright: Publishing and teaching.

2

### Intellectual Property Rights (IPR)

- **IP rights:** Rights granted to creators and owners of works that are the result of human intellectual creativity.
- They include:
  - Trade marks which distinguish goods and services.
  - Patents for new inventions.
  - Registered designs for the design of products.
  - **Copyright** for creative works such as books, paintings and music.
